EasyConnection can project your phone screen to the B40's infotainment screen - meaning you can cast whatever and wherever you want whilst having full control on the move.

Luxurious leather seats are electrically adjustable in the front and paired with a multifunction leather steering wheel. Rear passengers enjoy a 60:40 split seat configuration with recline function.

SAFETY THAT STANDS GUARD

Bravery doesn't mean taking risks. The B40 PLUS HONOR is engineered with an advanced safety suite including ABS, EBD, ESP, and multiple airbags.
